English story - The thirsty crow

Once there was a crow one day he was very thirsty.

He saw here and there in search of water.

He saw a pitcher under a tree.

There was a little water in it .

His beak could not reach the water.

He got a idea. He dropped some stone in the pitcher.

The water level came up and he drank it.

He flew away happily.

Moral – There is a will there is a way.
